RE: Notice of Intent to Commence Small Mining Operation in Emery County, UT.

Miracle Rock Mining and Research, LC (operator) hereby submits a new operation plan and application package to commence mining humic shale from Utah State Lease # ML43181HS property. The plan intends to utilize highwall mining methods.

The complete application contains a notice of intent to commence small mining operations, (MR-SMO). Attached to the MR-SMO are the location map, surface facility map, and an operation plan. Once the NOI application is approved, Form MR-RC will be included for signatory provisions of the bonding agreement. If you have any questions or concerns regarding this submittal, please contact me at 435-286-2222.

Sincerely,

David Taylor
Operator of Number 2 Clark Mine
